Cricket Match

Last Friday a cricket match was played between Star Club and Moon Club. It was holiday.

I, with some of my friends, reached the stadium in time.

There was a great rush of people. We got seats with great difficulty.

Police men were there to control the people. Many hawkers were

selling ^{things} like hot cakes. The match started at the fixed time. Both

the teams were in high spirits.

They were trying their best to

win the match. The supporters of both the teams were shouting and clapping their hands loudly. There

were certain moments when

each of the teams had a narrow escape. The teams tried hard to

carry the day but the match ended in a draw because both

the teams were equally strong.

It was an interesting match. We enjoyed it very much.

Write a paragraph on any one of the following topics.

(i)

Fashions

We are living in the age of fashions. The wish to look smart and up-to-date is natural. This type of fashion is not harmful. But the craze to adopt the foreign culture is not a healthy practice. Quick communication has shortened the world. Exchange of fashion magazines with glamorous advertisements, film industry, garment factories and cosmetic agencies have fanned the fire. New generation is fully captured. They waste a lot of their time in choosing dress designs, perfumes, footwear and interior decoration. It has now become the

part of fashion to avoid national language.

Pakistan is an ideal state. It has its own ideology and identity. We must keep this factor in mind while adopting any aspect of fashion.

(ii)

A Dream

Everyone likes pleasant dreams. But yesterday night I had a dreadful dream. I saw that I was standing near a beautiful horse in a jungle. The next moment I was on the horse's back. The horse, instead of running along the road, began to fly in the air. A group of well-dressed fairies welcomed me. They took me in the palace where a giant was sitting on a lion's back. He had a man's neck in his hand when he saw me. He laughed and thanked the fairies for his new victim. I was horrified and tried to run away. The next moment, I was on the

ground. It roused me. I thanked God that it was only a dream. I was safe and sound. But my heart was beating very fast and I could not sleep for the rest of the night. I recited some verses from the Holy Quran and then I felt relieved.

(iii) How to keep our Town Clean

We must take steps to keep our town clean and tidy. We are Muslims and this is our faith that cleanliness is next to Godliness. First of all we should start from our house. Boys and girls of school going age can be trained in this respect. They should be instructed how to keep clean their class rooms and school compound. In the recess periods, they should be instructed to throw the peels in the dust-bin. The housewives should keep clean their homes and streets. Through T.V and other media of instruction the men can be educated. Spitting

here and there causes diseases. A peel of banana thrown on the road can cause a serious injury or even death. Clean city is a sign of civilization. Municipal Committee, and Corporation's staff remain busy in sanitation but it can not be achieved without the active co-operation of the citizens.
